Professional Opportunities

“One of the things I love about Simmons is that they often require their students to do internships, which gives us real world learning. You are talking about opportunities with your advisor from the first day you arrive.”

– MADISON P., '23 MPP

Build the skills you need for career success with [hands-on learning experiences](#) in a wide range of fields. Our location in Boston means you'll have access to internships, clinical rotations, research fellowships, and more with some of the city's most vital industries and employers. Plus, our faculty are dedicated to your success and will help you discover experiential opportunities.

In addition to our partnerships with hospitals, health care providers, social work settings, world-class libraries and archives, and more, you'll also have the chance to connect with our network of alumni who will support you even beyond graduation.

A Supportive Community

“I’ve had a chance to meet people from different cultures and backgrounds, and they’re all at Simmons for the same reason: they want to help people.”

– DANIEL L., '22 MSW

Fulfill your purpose and make a difference in the world when you become a part of the graduate community at Simmons. Our lifelong commitment to inclusivity informs everything we do. We actively work to create a welcoming learning community and make a high-quality education accessible.

We’re proud of our students’ commitment to [making the world a better place](#). From working to reform policies to advocating for underserved communities, our students and alumni make an impact in the lives of others every day.

Financial Aid & Scholarships

“I was searching for a program that invested in me just as much as I wanted to invest within it. I felt that immediately upon applying to Simmons. My questions were met with excited responses and numerous resources, and I realized that Simmons offered something that no other school did.”

– ISABELLA C., '24 DPT

We believe that your exceptional academic preparation and hard work should be rewarded. So while we offer Graduate Direct Stafford and PLUS loans, we also offer competitive merit-based scholarships in most programs.

We also provide scholarships and personalized support through financial literacy webinars, financial planning worksheets, and more. Plus, you'll have access to advisors, including a dedicated financial aid counselor, who will assist you or answer your questions throughout your education.

S Prepare For Your Life's Work

If you'd like to learn more about the graduate programs at Simmons or have questions, please don't hesitate to call 617-521-2915 or [send us an email](#).

If you're ready to take the next step toward pursuing your passion and purpose, [start your application](#) today. Application fee waivers are available, no GRE score is required, and all degree applicants are considered for a scholarship. Plus, you'll have dedicated support from admission through graduation.
